Dialogue and Q&A

10.30 am: **Morning Coffee**

11.00 am: **'Forging Business Linkages in Malaysia – Opportunities and Options'**
An export-driven economy, Malaysia has always provided a dynamic environment for business through investor-friendly policies and well-developed hard and soft infrastructure. Given its new focus on green technology, Malaysia supports the growth of green industries and encourages green FDIs in its journey towards a Green Roadmap. Whilst Malaysia remains at the forefront of the search for new energy sources and innovations, what are the partnership opportunities that exist that can help raise the bar for both producers and consumers?
