

MICHAEL KALUM MOGGIE

Michael Kalum Moggie, a Malaysian National, is the Managing Director of ANDRITZ Power Sdn Bhd, a subsidiary of ANDRITZ Hydro (Austria). He is responsible for the overall operations and business development of the Company.

He completed his secondary education at Christ's College, Canterbury (NZ) and tertiary education at the University of Otago (NZ). He holds a Bcom in International & Asian Business, is a certified Six Sigma Expert (Air Academy, US) and has completed an 'International Professional Program' (VAT, Austria).

Michael started his career with VA TECH ELIN (Austria) as an in-house trainer for Process Improvement in 1998 and later joined Reyrolle UK Ltd (United Kingdom) as Business Improvement Manager, where he worked on projects in improving process efficiencies and effective cost cutting measures. In 2001, he returned to Malaysia to work in VA TECH Malaysia Sdn Bhd, where he was responsible for the restructuring and consolidation of the group's organisations. In 2004, he assumed the position of Managing Director of the Malaysian operations. Michael subsequently, took the opportunity to be part of a team to build in Control Tech Sdn Bhd as Executive Director, for Sales & Marketing, Strategy and Business Development prior to taking up his current position as Managing Director of ANDRITZ Power Sdn Bhd.

He lives in Kuala Lumpur and is married with three children.
